

HEALTH AND WELL-BEING POLICY

The school will undertake to ensure that all students with medical conditions, both in terms of physical and mental health, are properly supported in school so that they can play a full and active role in school life, remain healthy and achieve their academic potential. All students will be supported so that they have full access to education, including school trips and physical education.

INFIRMARY

- The School has a well-equipped infirmary with a nurse in attendance and a first aid facility .The school is associated with Wellogo Pvt Ltd, a leading health and wellness solution provider since 2011.
- School will support the needs of individual students and impact of their medical condition will be central to decisions for subsequent intervention.
- The school will endeavour to make the transition back into school after a period of illness as efficient as possible.

THERAPEUTIC INTERVENTION/COUNSELLING SERVICES

- The school will provide therapeutic intervention, in the form of counselling services.
- The school will maintain confidentiality at all times during counselling and any other therapeutic intervention.

SUGGESTION BOXES

- The school is committed to ensure that all suggestions/complaints/concerns are acted upon fairly.
- The complaints process will:
 - be simple to understand
 - be impartial
 - deal with issues promptly
 - respect confidentiality
 - provide an effective response and redress, where appropriate

MEALS

- The school will ensure that hygienic, wholesome, warm, nutritious, and balanced food is served to the students, twice a day.
- No child will be exempted, unless in case of a doctor's prescription.
