

ACTIVITY DEBRIEF

NAME OF THE ACTIVITY: CAREER FEST 2019

DATE HELD: 27th August 2019

TEACHERS RESPONSIBLE:

Ms. Ritu & Oshin

OBJECTIVES THE ACTIVITY:

To give opportunity to students and parents to have direct informative interaction with U.S. Universities. This was organised to give children a kick start to plan their career and explore the opportunities abroad.

BRIEF DESCRIPTION:

The event was initiated with welcoming the speaker guests and representatives of the universities. Every representative gave brief introduction about the courses, environment. Admission procedure and highlights of their universities. Then the CEO given introduction about the work they are doing and services they provide. She threw light on the university culture of U.S. and what all things student should plan or keep in mind before planning to study in U.S.

The second phase of the event was individual sessions of universities with parents and students. Brochures were distributed by the universities. It was good platform for them to discuss their queries related to careers.

Session was ended by a thank you note and handing over the thank you letter and gift to Ms. Jo by Ms Kamalpreet Bhullar

WHAT WENT WELL:

All the setting arrangements were done nicely because of collective team effort. The students and parents were freely asking their queries and exploring information from different opportunities

SUGGESTIONS FOR IMPROVEMENT NEXT TIME THIS ACTIVITY TAKES PLACE:

The interaction in the porch area seemed unorganised as all the students were

standing all together on one university table and refreshments couldn't be served properly along with their interaction because of the time constraints.
