

ACTIVITY DEBRIEF

NAME OF THE ACTIVITY: Community Outreach

DATE HELD: 27th July 2019

PERSONS RESPONSIBLE:

Ms. Moly, Ms. Snigdha, Ms. Oshin

OBJECTIVES OF THE ACTIVITY:

To sensitise the children to understand the needs of the abandoned senior citizens and elderly disabled.

BRIEF DESCRIPTION:

Children of Grade 10, 11 and 12 were taken to Earth Saviors Foundation to connect with senior citizens who have been abandoned by their families. Children were briefed to conduct simple hand imprint activity with the seniors over their stay there.

WHAT WENT WELL?

Children had a great time in connecting with the seniors. They were deeply moved by the condition in which the elders were living. They came back with a motivation to help the elderly.

SUGGESTIONS FOR IMPROVEMENT NEXT TIME THIS ACTIVITY TAKES PLACE:

The Drive needs to be more inclusive in the sense the teachers need to come forward and contribute actively towards the cause.
