NAME OF THE ACTIVITY: Workshop Business studies

DATE HELD: 15-16 November , 2019 ,

PERSONS RESPONSIBLE:

Ms.Mamta Narula

OBJECTIVES OF THE ACTIVITY:

- Various techniques for making the subject interesting
- Subjective clarification
- Problem and solution related to common difficult topics

BRIEF DESCRIPTION:

Two days workshop related to business studies was extremely enriching where all the teachers not only shared their respective practices but also provided solution for the difficult areas in the subjects . Workshop started with an interesting activity of introduction of self and qualities of a 'Leader' followed by video presentation in the day to day working of school. Activities like relay race with flash card, presentation by the group on the problem areas in the chapter of business activities and simultaneously presenting solutions. Output of other teams were also welcome. Quiz followed by new paper setting . The workshop also covered the future upcoming fields in business studies. The Resource person M/s Narula was invariably very interactive and jovial . Her exploration on the various tools related to the subject was outstanding . We explore plethora of activities which practically can be conducted in the class. We also got subject enrichment material. We also discussed new pattern of question paper and how we can design an ideal paper. Workshop was extremely beneficial and enriching .
