25th APRIL 2021

CAREER GUIDANCE- RESOURCES AND TIME LINE

Dear Parents (Grade XI),

Greetings

We have had a series of subject orientations and guest speakers last week to help students understand various career options. The response from our students has been overwhelming and we have tried to cover many technical and creative fields. Keeping inputs and feedback from students we have made a few changes in the career guidance schedule.

Please make a note of the following-

- a) Time Line-
 - i. Monday, April 26, 2021- Guest speaker sessions will be from 9.00am – 1.30pm. Subject combinations will be shared.
 - ii. Tuesday, April 27, 2021- Subject orientations and Guest speaker sessions- 9.00am- 1.30 pm
 - iii. Wednesday, April 28, 2021- Wrap up session and open house. This will be a question and answer session to answer queries.
 - iv. Thursday, April 29, 2021- We will commence with the Grade XI classes.
- b) Aptitude Testing- Due to no physical school we will be unable to take the KYA (Know Your Aptitude) test in person. However, we do encourage students to go to the following link to help them assess their aptitude. Please note that for result analysis and interpretation you will require payment of a sum of Rs 2000/. A Gmail account will be required for registering for the test.
<https://www.careerguide.com/psychometric-career-assessment>
- c) CBSE Compendium of academic courses- Please go through the link below with your ward to understand various academic courses available after Grade XII.
<http://tiny.cc/1kjwtz>
- d) Frame work to become a self -expert- All students are encouraged to fill in this link. This will help them in Identity formation and will help them choose the subject streams. All students have already been introduced to this Framework in our opening session.
