CIRCULAR: SCHOOL UNIFORM

Dear Parents (Grades IX - XII),

Greetings!

We are happy to share that we have successfully completed one week of on-campus classes with your support, and the attendance is increasing everyday.

Please note: -

- While the students are coming for on-campus classes, it is mandatory for them to be in their formal school uniform.
- Also since the students are doing science practicals in the labs, lab coats are an essential requirement for their safety. Please note that while students have their Chemistry and Biology practicals, they will be carrying their lab coats to school.

To ensure that all our students have their uniforms and lab coats, we are opening uniform counter on Saturday 21st August, 2021 between 9:30 am – 4:00 pm. We request you to ensure social distancing while you are in school for your safety.

In case you are not able to come to school, please connect with the vendor on the below mentioned details: -
