COLLEGE ESSAY WRITING AND INTERVIEW WORKSHOP

THE BIG RED GROUP (FLAGSHIP - HARVARD YLC)

Dear Parents (Grades X, XI and XII),

Greetings !!

Please find below the details for College Essay Writing and Interview Workshop by The Big Red Group for the students of Grades X – XII.

Request all parents to explore and encourage students to attend the workshop that would help in university applications.

As the college application season is coming upon us soon, we thought to keep you updated about a great essay writing and interview program that we have recently launched. After an amazing response from the 500+ attendees of the webinar conducted by us on Essay, Resume writing and Interview, we have come up with an intensive training workshop on these important life skills.

We really hope that all your students from grade 10-12 will be able to take advantage of this opportunity! It would be great if you could please spread the word on both these programs to your school students.

This workshop addresses one of the most daunting aspects of applying for higher education – college applications. Students are walked through the most important aspects of **college applications, the essay, resume, and interview.**
