COVID 19 APPROPRIATE BEHAVIOUR

Dear Parents,

Greetings!

'Jan Andolan' Campaign- An initiative by CBSE

The number of cases for Covid-19 in the country are witnessing an alarming upward trend because of laxity in observation of covid-19 precautions, low compliance for vaccination and false sense of confidence. Hence, it is imperative to re-emphasize adherence to COVID-19 appropriate behavior by driving behavioral change through cleanliness, wearing mask, safe distancing and washing hands.

Please find attached the creative for '*Jan Andolan*' campaign. We encourage all parents and students to disseminate information in condominiums/ offices/ other work areas through this creative.

You are requested to take a picture/ screen shot of your communication along with the creative while doing so and share the same with respective class teacher.

Let's unite against corona through this campaign.

Regards
Team RVS
