

## COMMUNITY OUTREACH

**“Life’s most persistent and urgent question is, what are you doing for others?” —  
Martin Luther King, Jr.**

Engaging in community service provides students with the opportunity to become active members of their community and has a lasting, positive impact on society at large. Reaching out to the community or volunteerism enables students to acquire life skills and knowledge, as well as provide a service to those who need it most. With this endeavor in mind, RVS drives a strong ‘Community Outreach Program’. As part of the program, a guest lecture was organised on 10<sup>th</sup> October for the students of grades VIII-XII.

We had with us an eminent guest speaker, who has achieved a milestone in his service to humanity. Mr. Sharang Rai is a Senior Consultant with Deloitte Australia, working in the social impact consulting and international development team for Asia-Pacific. Mr. Rai graduated from Georgetown University, Washington DC with a degree in Finance. Community service has been a key pillar for Mr. Rai in his professional and personal endeavors, with diverse global experience relating to volunteer service, economic development policy projects and other impact-driven initiatives.

His presentation was dynamic and impactful, accompanied with hard-hitting videos and facts that indeed left a mark in our young minds. After this, the panel was opened for questions from the audience.
