25th APRIL 2021

IMPORTANT CIRCULAR- SUMMER BREAK

Dear Parents (PreNur-Grades XII),

Greetings!

This is with reference to circular number **RVS/CIR/023/2021-2022**, Wednesday April 21, 2021. The school had floated a survey to parents to get their perspective on early closure of school for summer break.

The survey results have revealed that majority parents have expressed their desire to follow the summer vacations scheduled in the Academic Calendar 2021 and **NOT** from Monday, April 26, 2021.

Our decision is aligned to government directive of closed campus and RVS philosophy of keeping students engaged gainfully during the pandemic. **Hence, will carry on with online classes and close for summer break as per the Academic Calendar- 2021.**

Many of our staff members and their families have been impacted by Covid, we at school are doing our best to support them. The well-being of our community- students, parents and staff is our duty.

Keeping this in mind we have reworked certain elements in school routine.

Please make a note of the following-

- a) There will be some changes in academic classes as per need. In case a teacher is on leave the students will be informed about the same by the class teacher in the morning.
- b) The Carpediem classes will be suspended from Monday, April 26, 2021 till Friday, May 28, 2021.
- c) The quantum of home work will be reduced and the submission dates will also be relaxed. All students will be informed about the same by their respective subject teacher.
- d) In case your ward is unwell and is unable to attend classes, please reach out to the respective class teacher.
- e) **SEN Sessions-** The SEN department will rework the sessions as and when required and will keep the parents informed. Meanwhile, we seek parents support in keeping children engaged as per strategies shared by the special educators.

We sincerely hope that we will come out of this situation together with the support of each other. Wishing all families good health.

Regards
Team RVS
