RVS/CIR/115/2021-2022

18th SEP 2021

IMPORTANT INFORMATION

Dear Parent (Grades IV-IX and XI),
Greetings!

As we are in the process of opening school, it is important that we maintain the safety and sanitization of the school.

The management has taken a decision to conduct a deep sanitization drive from **Monday onwards** (in the entire school unit), as the children are very young. The reopening of school for students of Grades IV-VIII and on campus classes of Grades IX and XI are postponed till mid week.

We will keep you informed once we are ready to welcome our children.

Thank you for your support.

Ms. Nidhi Tewari
Principal
