## **PEACE AND HARMONY INTERACTION**

### **#VONG Interaction Series**

### **Theme: 'How to Be the change you want to see in the world?'**

Dear Parents (Grades VIII-XII)

Greetings

We all aspire for a world of peace and harmony and envision that it moves beyond violence and negativity. Mr. Nitin Sonawane, learnt and imbibed Gandhian values early in his life. At the age of 26, Mr. Sonawane decided to travel to go on a world tour on foot. As a messenger of peace, he traveled through more than 46 countries for 3 years meeting people of different communities and religions, understanding them and himself while spreading the message of peace and non-violence.

Mr. Sonawane says, 'we need to know who we are and what do we actually understand by peace and harmony and then act upon it.'

As part of our objective to bolster the understanding of the new generation about the real-world issues (#VONG), Orion Square brings to students in the age group 13 to 18 years, a very unique opportunity to interact with world renowned, new generation Gandhian, Mr. Nitin Sonawane. Students can get to know Nitin up close and persona, his inspiration, his journey, his goal and the message he is spreading throughout the world.

You can get selected for this interaction on 13th October, 2021 at 6 PM via Zoom, by responding to this simple question "What does peace mean for you?" on the following link.

All students who participate on selection, will be provided with a certificate! Top 10 selected responses will get the opportunity to personally ask Mr. Sonawane their question and interact.

\*Event is open for students from Grade VIII to XII
