RVS COVID COMMITTEE

Dear Parents (PreNur - Grades XII),

Greetings!

We hope, all is good with you and your loved ones in these challenging times. To extend support to the entire RVS community we are forming a **Covid Response Group**. We seek your support for same.

We would sincerely request you to volunteer and share your expertise if you are a medical professional, mental wellness expert or even linked to the forces (Police or army) with the school community.

Please note this is completely voluntary and if you can take out time to address queries on a What's App group do share your details using the link below. We will add you to the group.

Please follow the link below to share your expertise.
