17th JULY 2021

STUDENT LED CONFERENCE (SLC)

Dear Parents (Pre Nur – Grades V),

Greetings!

“The expert in anything was once a beginner.” – Helen Hayes

Student Led conference is the first step to becoming experts and is a very integral part of schooling. We are glad to share with you that we have our first SLC of the session on Saturday, July 24, 2021.

SLC is all about self-reflection, goal setting, leadership skills and reframing the learning experience.

Each child along with parents will be designated a time slot in which she/he will give a brief introduction and share her/his learning with all present. The teacher will guide the children before the SLC. The event will be conducted on MS Teams, the teacher will schedule a meeting and you will receive a meeting invite for the same.

For any concern, please connect with the Class Teachers.

Regards,
Team RVS
