## STUDENT LED CONFERENCE (SLC)

Dear Parent (Grade VI to XII),

Greetings !

Covid - 19 threw us all into tough and challenging times, but, we have risen and made the most of all that is available. RVS has ensured that despite the physical distance we stay connected and experience all the joys of regular school life.

Student Led Conference (SLC) is an integral part of schooling and a step towards students taking the onus of their learning. We are glad to share with you that we have our first SLC of this session on Saturday, August 28, 2021.

SLC is about self-reflection, goal setting, leadership skills and reframing the learning experience.

Every student along with parents will be designated a time slot in which she/he will give a brief introduction and share her/his learning with all present on the meeting. The teachers are guiding the students on their presentations and discussions.

The conference will be conducted on MS Teams, the teacher will schedule a meeting and you will receive a meeting invite for the same.

**For any concern please connect with the Class Teachers.**

Regards,  
Team RVS
