SUMMER ENGAGEMENT

*"Everything good and magical happens in the month of June" -
Jenny Han*

Dear Parents (Grades III to V),

The much-awaited time of the year is here! It is the time when we take a break to rejuvenate, explore, learn, and cultivate new interests and embark upon exciting pursuits. Summers are the best of what might be.

As RVS begins with its summer break, we wish all our students enjoy their holidays while staying safe, healthy, and return with a smile.

We believe that one should never cease to learn. To make the most of the summer holidays, we will be sharing fun filled suggested activities/ tasks for all grades.

Please make a note of the following-

- a) The activities will be shared on the School ERP under the Home Work section.
- b) The detailed guidelines for every project will be shared by the respective class teachers with the project assigned.
- c) We would strongly encourage our students to accomplish all tasks independently.

We hope all our students have fun and make the most of their summer break from the confines of their home. We will be welcoming our students back to virtual school on Monday, July 5, 2021

RVS wishes everyone, **HAPPY HOLIDAYS!**

Stay safe and healthy.

Warm Regards,
Team RVS
