RIDGE VALLEY SCHOOL

VALUE EDUCATION OLYMPIAD

Dear Parents (Grades V to X),

We are excited to announce that the United Nations Environment Programme (UNEP), Faith for Earth Council, Govardhan Eco Village, and the International Society for Krishna Consciousness (ISKCON) are collaborating for the launch of its Value Education Olympiad for the year 2021.

This is a certification program, where each student will get a certificate which **will have the credentials of UNEP, Faith for Earth Council, and ISKCON**. The certificates would be adding value to the profile of the student, also facilitating their portfolio. **The Value Education Olympiad 2021 is focused on climate change**. Students from Grades V to X may register under the following groups:

Group A for class V-VIII

Group B for class IX – XII

The program has a registration fee of Rs. 50 for each Student. Registration **begins on 15th July 2021 and ends on 15th September 2021**. A final **examination will be conducted on 17th October 2021**. The **top scorers of the exam are eligible to win some exciting prizes**. The course and study material for the program will be provided online and can be viewed at any time. According to a **UN study, 6 values play a significant role in sensitizing an individual for the environment** and we have included these values under our VEO program

1. Altruism
2. Trustworthiness
3. Equity
4. Justice
5. Integrity
6. Honesty

As a part of this program, we will be **conducting 7 (seven) recorded seminars for the students, every Sunday starting 1st August 2021 and ending on 12th September 2021**. Additionally, there will be **2 (two) online environmental workshops**, on *19th September and 26th September 2021*, which will be delivered by "Sow Good" and will be facilitated by expert environmentalists and theologians. This is an optional proramme for the students from Grade V to VIII.
