

Homework Policy

Homework is meant for recapitulation of the concept taught in the class and has to be submitted as per schedule. In case of repeated default, a formal communication from the class teacher/subject teacher will be sent to the parent concerned. Thereafter, it is the responsibility of the parent to collect the child from school after he/she completes the homework at school.

The school can work well for children only if parents and teachers act in partnership on behalf of the children`s best interests.

We would therefore appreciate complete trust and cooperation from the parents, as we need to work together for the benefit of our children.

Parents ought to regularly check the homework on the school ERP.
