### **BRICS MATH COMPETITION**

Dear Parent (Grades I - XII),

Greetings!

This is to inform you that the school is going to conduct the main (final) round of BRICSMATH, an annual online competition in Mathematics, for students of Grades I-XII in BRICS countries (Brazil, Russia, India, China and South Africa) on Friday 29<sup>th</sup>, October 2021. The school has already conducted the preparatory round in the month of May and the trial round in the month of October.

The goal of the competition is to develop creativity among children and to motivate them towards learning. The tasks are given in the form of a game which makes the learning process more interesting and effective. The competition focuses on logical thinking and does not require any in-depth knowledge of the school curriculum.

Please note the following-
