### **CROWING GLORY**

Dear Parents,

Greetings!

It is a moment of immense pride and celebration for all at Ridge Valley School today as we share with you the 'Commendable Achievement' of Ishaan Chamoli of Grade XI, whose innovative ideas have been recognized and appreciated at the Global Level.

Ishaan, recently participated in AI Enthusiast challenge and submitted his brilliant idea about helping "Refugee Relocation through AI Mapping", has been selected as global top 10 and India's number 1 idea (Under 13-18 Years age category) at Global level AI Global Impact festival organized by Intel along with prize Money of USD 1500.

To celebrate and enrich lives with AI Innovation, Intel® had organized the first annual AI Global Impact Festival from October 15 – 30, 2021. Students across globe participated in this international festival and different sessions on diverse topics by Intel® and industry experts were organised, and participants witnessed showcase of AI ideas, impact projects and best practices by teachers and students from different countries.

To reach here his idea was rated by the audience and top 10 ideas were finally evaluated by Intel Panel during the virtual interview session. We would like to thank our parent community whose votes added to Ishaan's journey with AI.
