DIWALI 2021

Dear Parents,

Greetings!

Happy Diwali !

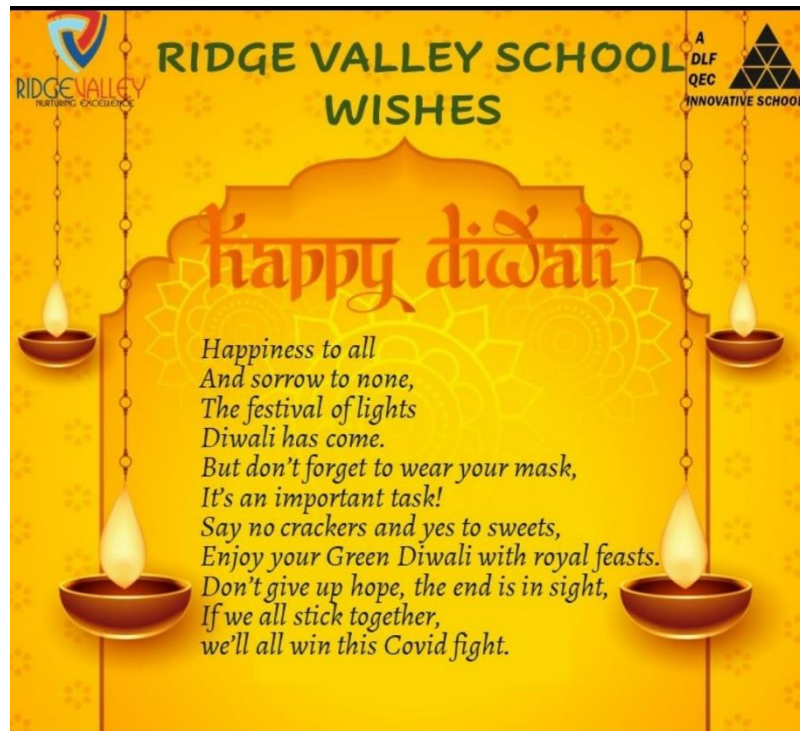

Diwali is a time of celebration, introspection and to light up each other's lives and hearts. Year 2021 has been challenging for many across the globe, but at the same time it has reinforced in us the belief that there is always hope for the better.

Every Diwali the school takes up a community initiative and strives to create awareness and impact, especially with respect to the environment. This year we have picked up the SEWA Program initiated by CBSE.

Motivated by this Program, of the CBSE, our students of Grades X and XII enthusiastically participated in a Plantation Drive recently at school.

The students planted various saplings including Ashoka, Neem, Belpatra, Saptarni, Kadamb and Kachnaar. The students participated in the drive enthusiastically and helped each other in planting the saplings. All the saplings were planted in the school ground by students keeping in mind the Covid Protocols.

The students along with the teachers also took an oath to look after the planted saplings, plant more and more trees and encourage others to do the same. Some of the students also shared their experiences and shared their joy with others.

We encourage you to take this initiative further and plant a sapling with your family and do your bit for the environment this Diwali and share with us a photograph of the same. All Class Teachers will be eagerly waiting to see the photographs.

- **Please note that the school will remain closed from 30th October 2021 to 7th, November 2021.**
- **The school reopens on 8th November with the usual Timetable.**

Stay Happy and Safe!

Wishing all of you great bonding and family time together!

Happy Diwali!

Thank you

Warm Regards
Nidhi Tewari
Principal
