INTERNATIONAL BENCHMARK TEST

Dear Parents (Grade VIII),

Greetings!

This is to share with you that students of Grade VIII, will be participating in the IBT (International Benchmark Test) Assessment and reporting program developed by the Australian Council for Educational Research (ACER).

ACER has created a global program of school-level tests in English, Mathematics, Science and Reasoning suitable for students across a range of countries. These high-quality tests enable teachers, parents, and school leaders to get an insight into the educational development of students throughout their years of secondary schooling.

The IBT assessment program draws on ACER's many years of experience in educational research. Requiring students to think about topics rather than just recall information, to apply their subject knowledge rather than just remember facts, the IBT is at the forefront of modern educational measurement.

This Academic Year, students will be appearing in only two assessments, English, and Reasoning. These assessments will be conducted in the online mode during school hours. These can be taken on a smart phone and a tablet as well in the landscape mode.

We request you to please make an online payment of Rupees 440/- to Ridge Valley School by January 20th, 2022.
