FINAL EXAMINATIONS SCHEDULE

Dear Parents (Grade VIII),

Greetings!

This is to inform you that as per our discussion during the Parent Meeting held on Thursday 17th February, we will be rescheduling the final examinations of Grade VIII. We will be sharing the revised dates along with the date-sheet for Final Examinations once we receive the update from the State Board, which is expected to come on Friday, 25th February 2022. Also, as per the circular released by BSEH today, the last date of registration of school, enrolment of students and filling of examination forms has been extended to Monday, 28th February 2022.

Please be informed that the Final Examinations will be on campus and not online.

Looking forward for your support.

Warm Regards

Ms. Nidhi Tewari

Principal
