## **FINAL TERM EXAMINATION**

Dear Parents (Grades VI- VIII),

Greetings!

Trust all is well with you and your family.

To support our children to get back to normal school experience we are gearing up for on campus final examinations for Grades VI to VIII. This will however only happen with the permission of the DOE.

As facilitators, we would like you to share this with your wards and encourage them to prepare themselves for coming to school and appear for the year end examinations. Though the final decision for the on-campus exams will be confirmed only after we receive communication from the authorities. Please note that once this is done, the exams will only happen on campus and not on Microsoft Teams. We will be doing the same during our classes too.

### **Please make a note of the following details:**

- Date of commencement of the Final Examinations: February 25<sup>th</sup>, 2022.
- Duration of each Examination: 3 Hours.
- Place of the Examination: Ridge Valley School.

Looking forward to your support!

Warm Regards,  
Ms. Nidhi Tewari  
Principal
