25th FEB 2022

SCHOOL TRANSPORT FACILITY FOR NEW SESSION (2022-23)

Dear Parents,

Greetings!

We are about to conclude the session successfully and I express my gratitude for your constant support and valuable feedback. The session 2021-22 was full of opportunities and learning to adapt and balance each one of us in optimum ways in the toughest time. The upcoming academic session 2022-23 is a year of transition for students from challenging online classes during the pandemic to a regular school on campus.

This is the time for meticulous and systematic planning in the best interests of our children for the upcoming session. We request the parents who want to avail school transport facility for the upcoming session, to fill the form given below by 28th February 2022.

We look forward to start the new Academic Year 2022-2023 with hope, resolve, and resilience.

Stay Safe & healthy!

Warm Regards
Ms. Nidhi Tewari
Principal
