MINECRAFT WORKSHOP CIRCULAR

Dear Parent,

Greetings!

‘We are changing the world with Technology.’ – Bill Gates

Microsoft in collaboration with De-Pedagogics Team will be offering a training session for the students of Grades IV to XII to learn how to use Minecraft: Education Edition.

Minecraft: Education Edition is a **game-based learning platform that builds STEM skills**, promotes creativity, collaboration, and problem-solving in an immersive environment.

Request you to make a note of the details of the session:

Date: Saturday, 30th April 2022

Time: 10:00 am to 12 noon

Mode: Online

Joining Link: <https://bit.ly/MINERVS3004>

Session Objectives:

- Participants will explore how Minecraft: Education Edition supports students in collaborating, creating, and thinking critically.
- Participants consider the benefits of game-based learning when crafting learning experiences for students.
- Participants reflect on opportunities in their own classrooms for infusing learning experiences with play.

We request you to please ensure that you download the Minecraft education edition using the link given below before the session.
