13th APR 2022

THE FUTURE LEADERS PROGRAM

Dear Parent (Grades VII-VIII),

Greetings!

Please find below the details of the session planned for our students of Grades VII and VIII on 23rd April 2022.

Session - The Future Leaders Program 2022

Future Leaders is the flagship program of 1M1B that gives students an opportunity to showcase at the United Nations headquarters in New York while helping develop their key skills through an action project!

- The Future Leaders is a program for finding and nurturing the world's most promising youth into human-centered leaders.
- Students identify a cause, undergo a structured curriculum and get world class mentoring to work on creating impact through a real world project.
- Students develop key Fourth industrial revolution skills like design thinking, collaboration, emotional intelligence, cognitive flexibility, dealing with criticism and failures amongst other.

The session will be conducted in the school campus. Below is the link of the brochure with more information about the program:-

Please fill the forms link below by Tuesday 19th April 2022 in case you are interested in attending the session. Timings will be intimated shortly: -

[Microsoft Forms](#)

We look forward to having both the students and their parents for the session!

Warm regards,
Ms Nidhi Tewari

Principal
