ZOOM MEETING FOR SAT WORKSHOP

Dear Parent,

Greetings!

We are all aware that most of the foreign universities require Scholastic Assessment Test (SAT) for admission in undergraduate courses and to offer scholarship. Therefore, it is important for our students to understand what SAT is, how it is tested and what strategies the students can adopt to crack the SAT.

A session on the detailed information about SAT will be conducted by Zenius Zen, SAT Master Class for the students of grade IX-XII today, April 23,2022 at 6:00pm. You can join the meeting by the link given herewith.
