13th May 2022

TRIP TO NATIONAL SCIENCE CENTER

Dear Parents,

Greetings!

This is to inform you that The National Science Centre, Delhi is organizing a special program to commemorate International Museum Week from Monday, 16th May to Saturday, 21st May 2022. The objective of the programme is to raise awareness among the society that museums are an important means of cultural exchange. On 18th May 2022, there will be opening of an exhibition “The Art of Science” from Israel at the National Science Center as a part of their Museum Week, and we would like our students of Grade VI to visit the same and kindle their curiosity.

The students will be visiting the National Science Center during school hours and will be provided with meals. Please ensure that your ward is wearing mask and carrying his / her own water bottle.

Regards

Ms. Nidhi Tewari

Principal
