8th June 2022

YOUNG EARTH CHAMPIONS CONTEST

Dear Parent

Greetings!

Sony BBC Earth is bringing a nationwide contest for young, climate conscious students of Grades V- IX on Innovative ideas/solutions for Sustainable Communities.

The ideas can address any one or more than one topic.

1. Land Conservation
2. Water Conservation
3. Energy Conservation
4. Wildlife and Forest Conservation

Last date for submission of entry: Saturday, 18th June 2022

Judgement Criteria:

1. Innovativeness of the idea – 30 pts
2. Feasibility/practicality of implementation of the idea – 30 pts
3. Social equity – Does your idea improve the quality of life of all the residents of your community – 20 pts
4. Scientific merit – To what extent is your idea rooted in scientific principle? – 10 pts
5. Comprehensive coverage of Biosphere – How many domains/environmental areas listed in Section I, does your idea address – 10 pts

For more information, registration, and participation kindly log onto -
