BOOTCAMP ON 'BUILDING AI READINESS'

Dear Parent

Greetings!

'We are changing the world with Technology.' – Bill Gates

To enable and empower students with the necessary skills, mindset, and tools to prepare them to become AI-ready, our school in collaboration with Intel® welcomes you to nominate your ward from Grades VI to XII for a 12-days students' bootcamp on 'Building AI Readiness'.

The program is aimed to enable students to develop AI-based social impact projects, by providing them with the opportunity to learn AI skills and apply them responsibly to design any solution.

Request you to make a note of the details of the session:

Mode of the training: Online

Pricing: FREE. No fees or any registration charges.

Audience: Any student from Grade VI Onwards

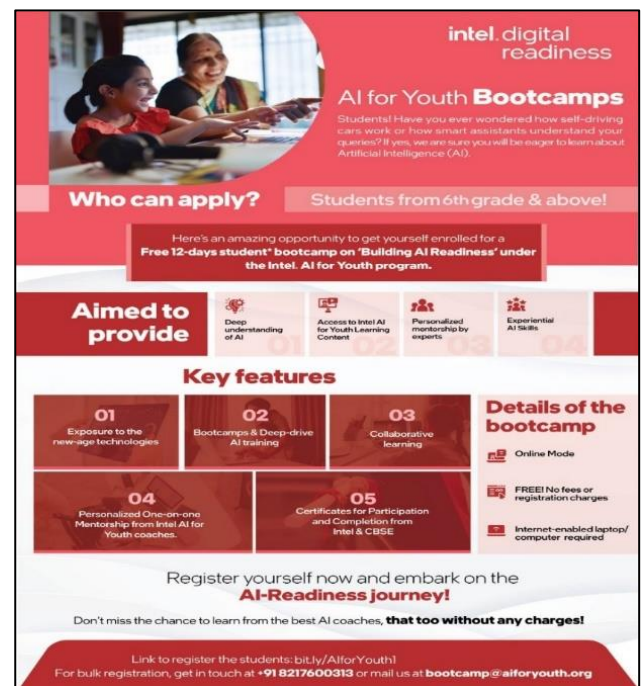

Duration: The bootcamp will span around for 12 days, 2 hours each day.

Meeting Link: Will be shared with the students on their Registered Phone Number & Mail ID

Requirements for the session: Internet-enabled laptop/computer
