

RIDGE VALLEY SCHOOL

RVS/CIR/046(A)/2022-2023

5th July 2022

CBSE REGISTRATION 2022-23

Dear Parents,

This is with reference to the circular number CBSE/LOC/2022-23 dated 16th June 2022 regarding the registration of Grade X students for the CBSE Board exam 2023.

Kindly verify all the details of your ward carefully and sign with blue pen. In case of any change or discrepancy, kindly mention on the slip with a blue pen.

Request you to kindly send the undermentioned documents along with the LOC given to your ward by Thursday, 7th July 2022. Please sign all the documents that you send.

1. Photocopy of Certificate related to minority, OBC / SC / ST (if applicable)
2. Photocopy of the Aadhaar card of your ward.
3. Please send **the exact amount of the fee mentioned on the slip** as registration charges in cash.

Some important points to be noted while filling/checking the LOC:

1. By default, every student has been given Mathematics standard (code- 041). You are requested to send your consent for the same.

However, CBSE offers the students an option of choosing **Basic Mathematics** in case, they are not keen on pursuing Mathematics at Senior Secondary level. **If you wish to opt for Basic Mathematics (241), Kindly strike out Mathematics Standard and write Basic Mathematics with blue pen along with your signature.**

2. Request you to kindly send a follow up email to the class teacher, confirming the change of Mathematics standard (Code-041) to Basic Mathematics (Code-241).

Do note that you will be intimated to come to school and sign the checklist once all corrections are done.

Warm regards

Nidhi Tewari

Principal
