MERAKI 2022- AN EXHIBITION OF CREATIVE AND CURIOUS MINDS

Dear Parent,

Greetings!

‘The only skill that is important in the 21st century is the skill of learning new skills. Everything else will become obsolete.’ – Peter Drucker

We are extremely pleased to bring to you **Meraki 2022** – an **Exhibition of Scholastic and Co-scholastic subjects**, celebrating the Joy of Learning. The **projects prepared during the Summer break** and the **hands-on learning activities** being conducted will be displayed in the classes.

A **‘Buddy Play Date’** has been planned for our little ones wherein they can walk into their classes with a friend of theirs, share their learning with friends and participate in various activities.

To inculcate the love for reading in students, we have also arranged for Publishing Houses to set up their **book stalls** in the school premises to facilitate the purchase of books at discounted prices for personal libraries.

Please note the following:

1. Timings of exhibition- 9:00am -1:00 pm.
2. The child needs to be accompanied with the Parent
3. A child’s friend can also accompany along with his/her parents.
4. It’s a non-working day, so no academic classes will be conducted.
5. The child can take a walk through the whole school and leave along with the parent.

Looking forward for an enthusiastic participation by the little ones along with their buddies.

Regards

Ms. Nidhi Tewari
