MERAKI 2022- AN EXHIBITION OF CREATIVE AND CURIOUS MINDS

Dear Parent,

Greetings!

‘The only skill that is important in the 21st century is the skill of learning new skills. Everything else will become obsolete.’ – Peter Drucker

We are extremely pleased to bring to you **Meraki 2022** – an **Exhibition of Scholastic and Co-scholastic subjects**, celebrating the Joy of Learning. The exhibition will be put up by the students of Grades III to X, wherein they will be showcasing their **projects prepared during the Summer break** and the **hands-on learning activities** being conducted in the classes regularly.

The aim of the exhibition is to foster the 21st century skills in students, so that they can apply the knowledge gathered to real life situations. In order to inculcate the love for reading in students, we also arrange for Publishing Houses to set up their **book stalls** in the school premises to facilitate the purchase of books at discounted prices for personal libraries.

Please note that **Saturday, 30 July 2022 will be a working day for students**. The **school timings** for students on Saturday will be from **8:30 am to 1:00 pm**. **Buses will ply in the morning** as usual. **Students will be picked up by the parents in the afternoon**. **Meals will be provided to the students as usual**.

You are requested to ensure that your ward attends school and enthusiastically participates in the exhibition on Saturday, 30th July 2022.

Regards

Ms. Nidhi Tewari
