INTER- SCHOOL MATH TOURNAMENT- FIRST IN MATH

Dear Parents, (Grades III and IV)

Greetings!!!

We are glad to inform you that our school is participating in an **Inter- School Math Tournament- First in Math.**

With a mission to develop a 'generation of mathematical thinkers' and for schools to achieve

maths goals of NEP 2020, we begin an exciting initiative. Outcomes will be both qualitative and quantitative, allowing us to go beyond just awareness, and create a love for problem-solving, using scientific, proven game-design of initiative partner First in Math® (FIM) Online program.

A. The 3 -week 'Problem Solving Tournament 'initiative is primarily to:

- Discover the joy of Maths & problem solving.
- Create class-as-a team bonding around Maths.
- Build excitement for teachers around Next Generation Math Skills.

B. WHO will participate?

- All students of Grades 3 & 4 and their respective math teachers. Each class will compete as a team, and respective math teacher will compete as educator Player.

C. HOW to Play:

1. The tournament will be live from 19th Sep 2022 to 9th Oct 2022.

2. Students & teachers to go on www.firstinmath.in website to login using their individual Login ID. Then, they can access First In Math® and start solving anytime, anywhere on any device online.
3. The platform will have access to all 260 curriculum aligned games, that are innovative in making problem-solving exciting.

D. Recognition: National level

1. Top 3 Teams from each Grade level (3 & 4) amongst all participating schools will earn the Award title of 'Champion Problem-Solver'.
2. Top Team across all participating schools will be awarded Champion of Champions.

The login IDs and passwords will be shared individually with the students.

Looking forward to having an enthusiastic participation from all our students!!

Warm Regards

Ms. Nidhi Tewari
Principal
