03rd Sept 2022

STUDENT LED CONFERENCE – 16 SEPTEMBER 2022

Dear Parent,

Greetings!

Student Led Conference is the first step to becoming experts and is a very integral part of schooling. It is all about self-reflection, goal setting, leadership skills and reframing the learning experience. We are glad to share with you that our young scholars of Pre-Nur to Grade II will be spearheading the first SLC session.

Day and date: Friday, 16 September 2022

Time: 8:30 am- 9:30 am

Kindly note the details-

- Each parent will be designated a time slot to visit the classroom in which their ward will present the portfolio of work from each subject and discuss his/her progress.
- The time slots will be uploaded on Edunext in the coming week.
- There would be 4-5 parents in each slot.
- Kindly adhere to the allocated time slot.
- It's a regular working day for students. The arrival and dispersal timings remain as usual.
- The teacher will guide the children before the SLC.

Looking forward to a fruitful interaction.

For any concern, please connect with the Class Teacher.

Warm Regards

Ms. Nidhi Tewari
Principal
