TERM 1 REPORT CARD

Dear Parent,

Greetings!

As we complete the first term of the Academic session 2022-23, it is time to share with you the **Term 1 Report Card** for your ward. The Report card gives a detailed account of the child's academic progress and reflects personal, social, and emotional development as well.

The Report Card can be accessed on Edu Next. Please download it and save for future purposes.

You can meet the teachers for any query, by taking a prior appointment.

Warm Regards

Ms. Nidhi Tewari
Principal
