UNIT TESTS FOR GRADES III & IV

Dear Parent,
Greetings!

With a view to give the students an exposure to write formal assessments, the school has decided to begin Unit Tests for the students of Grades III and IV. The assessment will be for 20 marks and will commence from 28 October 2022. A detailed datasheet with the syllabus for each subject will be shared soon.

We look forward to your kind cooperation.

For further queries, you may connect with the Class Teacher.

Warm Regards
