STUDENT LED CONFERENCE VII-A

Dear Parent,

Greetings!

A student-led conference is a preplanned meeting in which students demonstrate responsibility for their academic and co-scholastic performances by providing a review of their work for parents and teachers. SLCs help boost the confidence of students and uplift their communication and presentation skills by challenging them to ensure self-reflection, goal setting and leadership skills amongst other 21st century skills. We are glad to share with you that our young scholars of Grades VI-XII will be spearheading the first SLC session of the academic session 2022-23.

Day and date: Saturday, 15th October 2022

Time: 9:00 am- 12:00 noon

Please refer to the schedule given below for your time slot. You are requested to come at the designated time slot along with your ward to avoid inconvenience to the other parents.
