VISIT TO BIODIVERSITY PARK

Dear Parent,

Greetings!

A visit to the 'Biodiversity Park' has been planned for our Early Years Students on Monday 12th December. The purpose of the visit is to create an awareness about the natural environment and to provide a hands-on learning to our students about the variety of plants and flowers.

The trip is scheduled within the school hours and it's a regular working day for the students.

The students need to carry their bags, water bottles, sanitizers, and sun caps. For any concern, please connect with the class teacher.

Regards

Ms. Nidhi Tewari
Principal
