IBT LETTER FOR PARENTS 2023-24

Dear Parents (Grade III TO VIII),

Greetings!

This is to share with you that all students from Grade III - VIII, will be participating in the IBT (International Benchmark Test) Assessment and reporting program developed by the Australian Council for Educational Research (ACER).

The IBT assessment program draws on ACER's many years of experience in educational research. Requiring students to think about topics rather than just recall information, to apply their subject knowledge rather than just remember facts, the IBT is at the forefront of modern educational measurement.

This Academic Year, students will be appearing in only three assessments, English, Science and Mathematics. These assessments will be conducted in the online mode at school.

We request you to please send a cheque of Rs. 660, in favour of Ridge Valley School with your ward by Wednesday September 28th, 2023, to the Class Teacher of your ward. Please do mention the name, class and section of your ward behind the cheque.

Those students who are a part of the Wellness Department at school will only appear for the subjects they are pursuing at school and are requested to send the cheque with the amount (Rs. 220 per subject) accordingly to their respective class teachers.

Kindly make a note of the dates as mentioned below:

Grades III TO V

Subject of the Benchmark Assessment	Day/Date
English	Thursday, November 2 nd , 2023
