

RIDGE VALLEY SCHOOL

DLF PHASE – IV, GURUGRAM, HARYANA

TRANSPORT POLICY

- The school operates buses on specific routes, depending on the number of students on the route. Though we try our best, it may not always be possible to drop students at their doorstep or to accommodate requests for changes. Once a route has been finalized no changes/diversions will be entertained, and parents are requested to co-operate. This will ensure your child's safety.
- In case of a change in route or destination, please inform the school transport authorities in writing to facilitate efficient planning. However, review of change in routing will only be carried out bi-annually/or if there are any additional number of students. Please inform us in advance because drivers are not authorized or permitted to take these decisions.
- The school can also facilitate car pools amongst parents.
