VISIT TO MUSEO CAMERA

Dear Parent,

Greetings!

Photography is more than just a skill or talent; it's a passion that needs constant fulfilment. It is a way of feeling, of touching, of loving. What you have caught on film is captured forever... it remembers little things, long after you have forgotten everything. With this thought, and, to give our students a chance to travel back in time and relive the evolution of the camera, we have planned a visit to the Museo Camera on Wednesday 27th September 2023 during school hours. The museum is one of a kind in India with 18,000 sq. ft. of space dedicated to the art of Photography.

The charges for the visit are Rs. 200/- per person. It is an optional trip for the students. In case you are interested to send your ward for this visit, kindly give your consent in the link below and send the fee positively by Monday 25th September 2023.
