**GRATITUDE FOR POSITIVE RESPONSE AND
OPTIONAL PARTICIPATION IN FIT FIESTA**

Dear Parents,

We would like to express our heartfelt gratitude for your prompt response to the google form shared with you regarding the upcoming Junior School Sports Day, Fit Fiesta.

We would like to thank you for your overwhelming positive response and share that the majority of the parents have given their consent to conducting the Sports Day as scheduled on Saturday, 9th December. Your enthusiasm and support are very encouraging and have helped us take a call not to postpone this event any further. The children were extremely excited when we shared this news with them, since they have really been looking forward to it.

However, we do respect the concern that has been raised regarding air quality, and we acknowledge the anxiety some parents have expressed, emphasizing the importance of ensuring a healthy environment for all our students. In consideration of these concerns, **we have decided to make participation in Fit Fiesta entirely optional**. While we are committed to providing a well-rounded educational experience to our students, we understand the unique circumstances surrounding air quality issues.

For those students who opt not to participate in the Sports Fiesta on Saturday, 9th November, rest assured that alternative arrangements will be made to ensure their engagement in other academic and co-scholastic activities within the school premises. Please drop in an email to the class teacher by tomorrow positively, in case you do not want your child to participate.

Once again, thank you for your unwavering support and understanding. Your partnership is instrumental in creating a positive and nurturing educational community. If you have any further questions or concerns, please do not hesitate to reach out to us.

We look forward to an exciting and safe Fit Fiesta and to seeing you on the Sports field cheering our children.

Warm Regards

Ms. Nidhi Tewari
Principal
