01st Feb 2024

STUDENT COUNCIL CIRCULAR

Dear Parent,

Greetings!

At RVS we believe that leadership and commitment are the two pillars of the Ridge Valley School 'Value System'. We believe in student agency and student voice as being crucial to a student-centric environment which we aim for.

Also, in the increasingly competitive world of college admissions, leadership positions are a tremendous value add in college applications. A student who has held a position on a Student Council is identified as having some important skills and attributes which help to make the student stand out.

Therefore, in order to expand the opportunities available to our students and to start leadership journeys of our students early we are introducing a **Deputy Student Council** from the next academic session, 2024-25.

These posts will be open to only to **students of Grade XI**, who will be holding various vice – captaincy positions representing the school and the student body.

Please find attached the **nomination form** which must be duly filled and returned to us in hard copy by Saturday, **10th February 2024**

We do hope students will avail this opportunity to demonstrate their skills, sense of responsibility, and be truly representative of our beliefs as an institution.

Nidhi Tewari
Principal,
Ridge Valley School

Madhur Usgaonkar
Director,
Ridge Valley School
