FINAL TERM REPORT CARD – 2023-24

Dear Parent,

Greetings!

As we complete the Academic Session 2023-24, it is time to share with you the Final Report Card for your ward. The Report Card gives a detailed account of the child's academic progress and reflects personal, social, and emotional development as well. It can be accessed on EDUNEXT, please download it, and save for future purposes.

Wishing you the best of luck for the next academic session.

Warm Regards

Ms. Nidhi Tewari
