IMPORTANT INFORMATION

Dear Parents,

Greetings!

We are delighted to inform you of our Sister School Partnership with Pakenham Secondary College, Victoria, Australia. Pakenham Secondary College was established in 1967, to provide education to a largely rural community. The school now enrolls of over 750 students.

We are thrilled to share that we are commencing our first online exchange program with Pakenham for the students of Grade VII (2024-25). It will be a valuable and enriching experience for our students. This program aims to broaden our students' perspectives, enhance their understanding of global cultures, and foster meaningful connections with peers worldwide.

The program will require our students to meet their partners from Pakenham Secondary College online regularly and work on the assigned projects. The students are expected not to miss any sessions and actively collaborate to complete their learning tasks.

In case your ward is interested in participating in this program, please provide your consent on the link below:-
