TRIP TO VIETNAM

Dear Parents,

We are excited to announce a very exciting educational trip to Vietnam for our students. This trip is designed to provide them with a unique learning experience beyond the confines of a classroom. The trip aims to offer students an immersive educational experience whereby they will be exposed to the history and culture of this amazing country. By stepping out of their familiar environment, they will have the opportunity to learn through first-hand experiences, fostering critical thinking, problem-solving, and adaptability skills.

Vietnam is a country rich in history and culture. From exploring ancient temples to understanding the impact of the Vietnam War, students will gain a deeper appreciation of global history and its significance in shaping the world we live in. As part of our commitment to holistic education, students will also engage in community service activities. This will provide them with a chance to give back to the community, develop empathy, and cultivate a sense of social responsibility. Interacting with locals and experiencing Vietnamese customs and traditions firsthand will broaden students' perspectives and foster cultural sensitivity. These experiences are invaluable in promoting global citizenship and understanding.

The details of the trip are as follows:

Duration: 7Days/6 Nights

Tentative Dates-24th June-29th June

Cost – 1,40,000 (all inclusive)
