DISPERSAL GUIDELINES

Dear Parents

Greetings!

Please be informed that the swings area (Jhoolabaadi) will be off-limits for students during dispersal time, both at 12:45 pm and 2:55 pm. This measure is necessary due to traffic-related issues and complaints received from the traffic police and some parents. We appreciate your cooperation and kindly request that you pick up your children and depart promptly to avoid traffic congestion. This will help ensure sufficient parking space for all parents.

We look forward to your support.

Warm Regards

Ms. Nidhi Tewari
Principal
