EDUCATIONAL VISIT TO ARAVALI BIODIVERSITY PARK

Dear Parents (Grades IX TO XII)

Greetings,

As part of RVS's Book Week from 22nd to 26th July, we are excited to announce an educational trip to the Aravali Biodiversity Park on Friday, 26th July. This visit, aligned with our Social Science Day celebration, aims to provide hands-on learning about biodiversity conservation and environmental protection.

Details:

- **Date:** Friday, 26th July 2024
- **Time:** During school hours

Students will explore ecosystems, observe native flora and fauna, and engage in guided activities to enhance their understanding of environmental science. This field trip supports our commitment to experiential learning and fostering a love for nature.

We look forward to a valuable experience for all our students.

Warm regards

Ms. Nidhi Tewari
Principal
